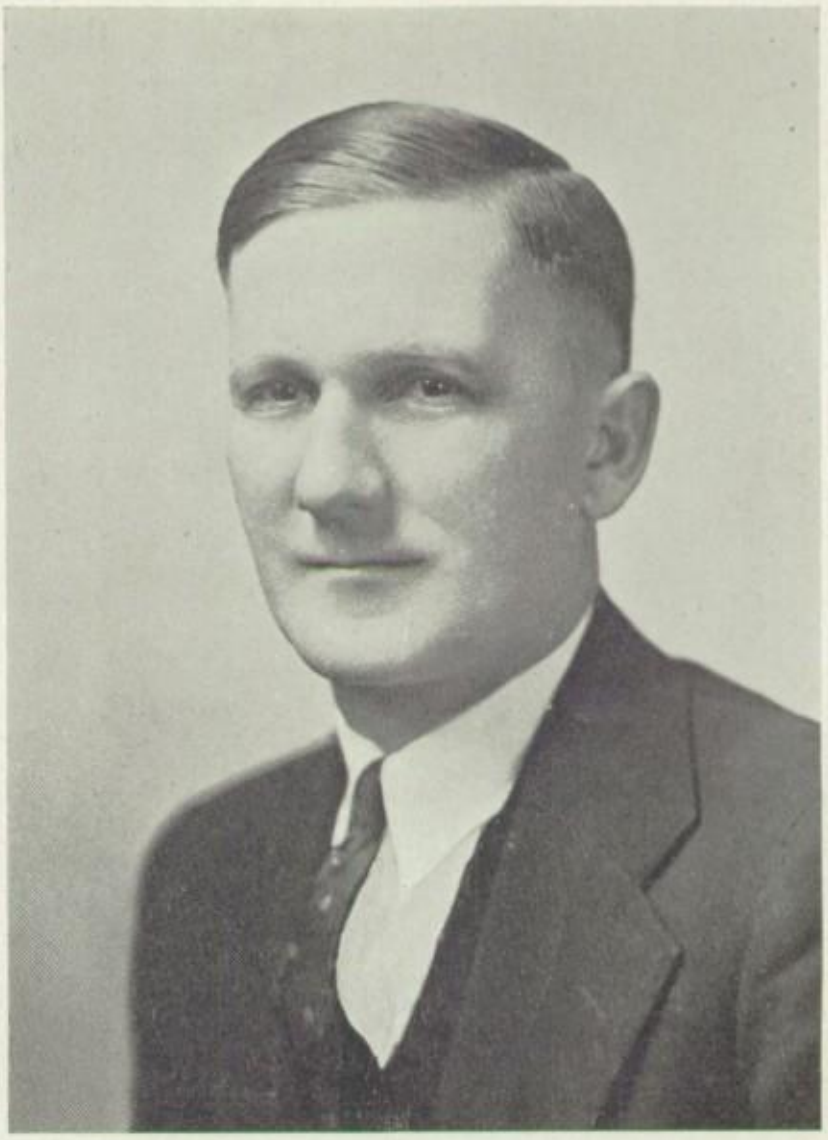
DEDICATION

To our Patron Saint and Loyal Friend during our Senior Year . . . to express the appreciation of the students of Elmira Free Academy for his long and distinguished period of service here . . . we appropriately dedicate this, the 1936 edition of The Torch



To MR. ANTHONY A. SCHWENKLER

Always a loyal friend, kindly counselor, and rare humorist, Mr. Schwenkler has more than earned the title of "patron saint". Regarded as a "regular fellow" by all his students and associates, he has for several years acted as adviser of the Yearbook; consequently, the office is not new to him. His dauntless energy and congeniality have made him many lasting friendships, and have acted as an incentive to the several staffs he has supervised. Our faith in him will remain undiminished in the years to come.

As a toast to Mr. Schwenkler, let us say: "Here's to the patron saint of the Class of 1936. May he ever remain in our hearts".

FOREWORD » » »

In the years to come, when we have long since left our Alma Mater and are scattered among life's divergent pathways, may this book recall to us many happy memories of pleasant associations and lasting friendships which we have formed here.

SENIOR CLASS

President . . . . . WALTER ZIMDAHL
Vice-President. . . . . . JESSIE MOULD
Secretary . . . . . RUTH CROOKS
Treasurer . . . . . ARTHUR BURT

Dear Classmates:

As President of the Class of 1936, I have been accorded the privilege of writing in your behalf a message of farewell to our school, to each member of the faculty, and to the student body. Commencement draws near. It is a serious and memorable occasion for each of us. It rings down the curtain upon the most carefree, the most enjoyable, and the longest-to-be-remembered chapter of our lives. The recollections of high school days will always be cherished, and it is with a touch of regret that we, the class of 1936, leave the Academy.

The Academy guided, directed, and developed us these last four years. To her, we have incurred a life-long debt. Opportunities have been accorded each of us. No one has been denied an equal opportunity to excel. The impressions made, the lessons learned, and the friendships gained here, will ever be a part of us.

Yet, we must go on, for we must "see life through and see it whole." Though we have finished our academic studies, we realize education never ends.

In parting then, may we go on with light hearts and open minds to face our problems; may we continue so that our lives, through their achievements, may ever reflect honor upon, and express gratitude and appreciation for our school, Elmira Free Academy.

Sincerely yours,

WALTER L. ZIMDAHL

CLASS HISTORY

We, the Class of 1936, have nearly completed four successful and eventful years at the Elmira Free Academy. When we, inexperienced and queer freshmen, gazed with awe upon the big knowing seniors, we little realized that we, too, given time, might possess that same poise and self-assurance.

Although we were practically without organized leadership during our first year, we were capably represented the next by the following officers: John Hirst, president; Katherine Kinsman, vice-president; Phyllis Cole, secretary; William Love, treasurer.

In the third stage of our high school career, we again chose superior leaders: Daniel Coleman, president, assisted by Eleanor Chapel, Jessie Mould, and Emory Stoddard. Soon after, the president appointed William MacNamara to head the committee for the careful selection of the pattern of our jewelry, which would distinguish us as the Class of 1936. That year, for the first time, the Juniors agreed to hold their prom with the Seniors. This arrangement was so successful that it was decided to repeat it the following year. Junior Day, the most important day of the year to us, found both boys and girls gaily decorated with flattering red and white ribbons.

Returning in September, ready to cope with our final and most difficult problems, we elected Walter Zimdahl, president; Jessie Mould, vice-president; Ruth Crooks, secretary; Arthur Burt, treasurer, to guide us along untried paths. They have willingly worked hard and so cooperated as to make our social activities outstanding.

In early May, the annual Senior play, "Three Cornered Moon" was presented under the inspiring direction of Mr. Colgan. Each member of the cast will be remembered for his part in making it a success.

Today, we are eagerly anticipating "the last roundup," Senior Day, for which we are already busily making plans, the Senior prom, the most discussed event of our high school career; and, the Senior reception. Then comes the inevitable Commencement, the goal for which we have striven so faithfully since our baby freshman days.

What the future holds in store for us, who knows? Each of us, however, is sure to do his best. We should; E. F. A. has laid a good foundation.

Best of Luck, Jane

WHAT A wonderful feeling it was to know that we were no longer "green frosh" but "sophisticated sophomores." In September we returned to school with the novelty of high school life worn off but with the desire to procure more knowledge still fresh within us.

For proof that we have talent in our midst look at the number of our names which appear regularly on the honor roll, notice the number of us who have been admitted to clubs, and look at our basketball team. We are proud of our team for it won the Interclass Basketball Championship.

Here's a warning seniors, and seniors of tomorrow. Basketball is not the only thing we can accomplish, we'll soon be upper classmen and prove it to you.

FRESHMAN CLASS

A FRESHMAN CLASS of about two hundred members entered Elmira Free Academy last fall. In the distance was our reward, a diploma, an education, and the benefits derived from these. At times we found the way hard, but our teachers were always ready to help us. For anything worthwhile we may have accomplished this year, we unhestitatingly give credit to them.

Our class has shown an intestest in all phases of school life. Many freshmen are active members of the band, the Biology Club, and the Girls' and Boys' Glee Clubs. We are conscious of our defects, but we hope to overcome them during the coming three years at E. F. A.

THE 1935-1936 STUDENT COUNCIL stands out as one of the most efficient governing bodies in years. When it had sponsored a series of six assemblies, featuring trained speakers and entertainers; had issued stickers for major football games; had purchased sweaters for the cheerleaders; and had directed class elections . . . the indefatigable group had merely begun the activities which will make its name famous in the annals of E. F. A.

Besides the annual Spring Carnival with the crowning of the May Queen and her attendants, the Council sponsored a Hallowe'en Carnival ruled by a witch, wizard and spooks. It arranged for the first after-school dance in two years and followed it by several other informal dances in the gymnasium during the year.

A unique situation arose when Vivian Bruce resigned the presidency in January 1936, and Anne Hardy, vice-president, succeeded him. Thus she became the first girl in the history of the Academy ever to hold the responsible position of president of the Student Council.

Literary Adviser . . . . . Miss Jane Birchard

The 1936 Torch Literary Staff has worked hard to present an annual worthy of the class it represents. It has introduced several new ideas which it hopes will meet the approval of all.

The staff is sincerely grateful to Miss Jane Birchard, literary adviser; to Mrs. Helen Winsor, art adviser; and to Mr. Anthony Schwenkler, faculty and financial adviser for their kind assistance in compiling this book.

We also wish to express our thanks to Daniel Davis and Robert Thomas for the material they have contributed to the book, to Vivian Bruce for his art work, and any others who have helped, but whose names we have unintentionally omitted.

Praise and thanks are due all members of both the Literary and Business staffs for their willingness to co-operate, and their sincere efforts to make the book a success.

Faculty Adviser . . . . . Mr. Anthony Schwenkler

The 1936 Torch Business Staff deserves hearty commendation for its untiring efforts in behalf of this book. The cooperation of each member with the business managers has made this book a success.

We extend to Mr. Schwenkler our sincere thanks and appreciation for his unerring guidance, without which we would have been at a loss to carry on.

To Vaughn Davis for his exceedingly fine work in the absence of Vivian Bruce, to Jack Hirst and Emory Stoddard for their efforts, and to all others who have kindly aided us in publication, we express our gratitude.

We wish to thank the entire Senior Class and the local merchants for their cooperation and interest in this annual.

During 1935-1936 The Vindex's literary staff did untiring work to bring to the subscribers complete news coverage of the school; they also published special issues for the Hollowe'en Carnival, Christmas, April Fool's Day, and Senior Day. Behind the scenes is the business staff, who made possible the paper by their strong financial support.

In November, 1935, a delegation attended the convention at Syracuse University and won honors in various departments. In March, 1936, five staff members journeyed to New York City to the Columbia Scholastic Press Convention and placed third in its class.

The Vindex, the news-organ of the Academy since 1899, has maintained its responsible position as one of the most influential organizations in the school.

Treasurer . . . . . LOUISE KJELGAARD

THIS YEAR there are about twenty girls in the Library Council. Each girl serves one period a day in the library and fifteen or twenty minutes after school one day. Their duties are charging out books, arranging them on the shelves, sending notices for overdue books, taking attendance, preparing new books for circulation, mending old ones, reinforcing magazine covers and making themselves generally useful in the library.

The work serves a two-fold purpose: to give library assistance to the whole school, and at the same time to give the girls valuable library experience.

First row: Alice Dennis, Doris Rolison, Mary Cuffney, Jean Roemmelt, Helen Yeomans, Doris Sherman, Miss Martin, Katherine Olney, Eileen Hanrahan, Delores Costello, Mary Digby.

DURING THE past year, Agora has made great progress. In the first semester, ten, and in the second, fifteen new members were initiated into the club. The club meetings have featured speakers, debates, and discussions. A special treat was the mock trial which some of the members presented in the auditorium.

Members of Agora have enjoyed many social activities including a theatre party, a Christmas party, a picnic supper, and a swimming party. However, the high spot of the year's activities was Agora Day, and each member wore the club colors. On this day, Agora sponsored an assembly, at which she spiritedly debated with Forum in the hopes of vanquishing her debating rivals, and thus provide a fitting close to a successful year.

UNDER THE leadership of its new faculty advisor, Dr. Helmkamp, Forum has had a beneficial year. In September, new members were admitted and a few meetings were devoted to practicing Parliamentary procedure.

Throughout the year, informal debates on topics of current interest and round table discussions on news topics were held within the club. Members of Forum have debated with debating clubs of other schools and have challenged Agora to a debate, the old spirit of friendly rivalry being aroused at the Forum-Agora debate held in assembly.

The crowning event of the year, the Forum dinner dance, is planned to take place at the end of the term.

MASQUERS DRAMATIC SOCIETY

President . . . . . WILLIAM LOVE
Vice-President . . . . . LUCY ANN RATHBUN
Secretary . . . . . JESSIE MOULD
Treasurer . . . . . HERBERT EPSTEIN

THIS PAST year has been a successful one for Masquers Dramatic Society. Many new members were admitted both in September and in February. At the weekly meetings at the Steele Memorial Library, play reviews, readings, and dialogues have been presented.

A scene from Dicken's "Christmas Carol" was enacted at the Christmas assembly by members of the club. At one of the joint meetings with the Southside High dramatic society, Masquers put on the pantomine, "And the Lights Went Out." The members have both given and received pleasure during the year, and, at the same time, have added to their practical knowledge of dramatic art.

"Three Cornered Moon" is a comedy in three acts, the story of a family who exchanged witticisms with the depression. Elizabeth Rimplegar, lacking more serious things to worry about, cultivates a naive "weltschmerz" and plans suicide with her immature novelist fiancé, Donald.

When Mother Rimplegar, vague and flighty, announces the collapse of the family fortune, Elizabeth and the spoiled, idle family are lost. At this junction, Alan Stevens assumes a mild dictatorship and induces them to go to work.

Sobered by the sanity and sweetness of living by working, Elizabeth becomes dissatisfied with Donald, who, lost in his dreams, feels artistically exempt from the responsibilities confronting him.

In time, even the mad Rimplegars learn to adopt more realistic standards of living, though they can never abandon their peculiar humor and innate flippancy.

Produced under the capable direction of Mr. Colgan, the play was successfully given by the ambitious young actors, and enthusiastically received by an undisappointed audience assembled for an evening of enjoyment.

Secretary . . . . . Mary Jane Bickford
Treasurer . . . . . Lucy Ann Rathbun
Faculty Advisor . . . . . Miss Kathleen Miller

Soon after the election of officers in September, Girls' Hi-Y held a supper meeting for the installation of said officers and initiation of new members. Since then, the club has completed many successful projects: the members sponsored a booth at the Hallowe'en Carnival; helped the visiting nurses; and made pop corn balls for the Chemung County Preventorium.

For entertainment along with their work, the girls have had supper parties and skating parties. Their plans for the rest of the year include regular bi-monthly luncheon meetings, swimming parties, and what they hope will prove to be a most worthwhile assembly program.

MEMBERS OF THE BOYS' HI-Y have experienced an unusually active year. Each week, at the Y. M. C. A., they have held a dinner meeting, for which, as often as possible, they have had speakers. In this way, the programs, besides being enjoyable, have proved educational.

At the Hollowe'en Carnival, the booth sponsored by Hi-Y featured Bob Thrasher, the magician, who proved to be an entertaining attraction.

The club had the privilege and responsibility of patrolling the football field during games, held an autumn outing, a joint swim meeting with the Southside Hi-Y, and a spring dance.

The boys are now planning for their annual spring outing, which they hope will excel all previous ones.

At the football games this year, the fans were delighted by the many novel and impressive formations which the boys made. The band gave concerts at Park Church, the Reformatory, and the Boys' Hobby Fair. It also furnished stirring marches on several civic occasions. The annual Spring Concert at the Southside High School closed a busy season for the blue and white bandsmen.

Its playing season this year has included concerts at the Reconstruction Home, the Reformatory, the Rotary Club, the Boys' Hobby Fair, and the banquet for the championship Elmira High Schools football team. Some of the musicians had the novel experience this year of recording several pieces, and were thus greatly aided in their playing. The climax of the orchestra's activities was the annual Spring Concert at the Southside High School.

Secretary-Treasurer . . . . . JUNE SCHIVANE
Director . . . . . MISS JEAN CHRISTIAN

THE GIRLS' GLEE CLUB, meeting bi-weekly during the seventh period, has enjoyed a busy year. In the fall the old members delightfully entertained the new ones at a party at the home of Miss Christian.

At the Christmas assembly, the Girls' Glee Club sang carols in both French and German. They repeated their program at the chapel in St. Joseph's Hospital. Late in February, the girls presented a program for the Hendy Avenue Parent Teachers' Association. The high spot of their winter activities, however, was participation in the Park Church Lenten Forum on March 8.

The club is now looking forward to the annual Spring Concert which is to be held late in May. This will terminate the club's activities for this year.

STYLUS has had a busy year, making signs for the Hallowe'en Carnival, for school clubs and for the yearbook. In September, a picnic supper was held, at which time new members were initiated. For their part in the Mark Twain Celebration, members of Stylus designed posters, which were placed in the halls of the school. Before Christmas, they made hand-blocked greeting cards to sell to friends.

Stylus members feel that they have benefitted greatly from the speakers and from the lessons on lettering which they had at their regular meetings.

Because of previous successes, the athletic sorority again chartered a bus, this time for the purpose of seeing Elmira victorious at the U. E.-Elmira football game.

All Phi Alpha Kappa is looking forward to the presentation of a silver cup to the most athletic Junior or Senior girl in the Academy. Mary O'Dea

Arthur Hirst

We, the Class of 1936, affectionately dedicate this portion of the Year Book to the best sports of all: Miss Mary O'Dea and Mr. Arthur Hirst.

TO COACH HIRST

ARTHUR HIRST, coach of the Blue and White athletic teams, is a graduate of Springfield College, where he distinguished himself as an ace backfield man on the football team, as number one pitcher on the baseball nine, as intercollegiate wrestling king, and proved himself a sterling hockey player. Mr. Hirst served as assistant athletic director of Syracuse University immediately after being graduated from college.

In 1918 "Art" was in the army. A few days after the Armistice was signed he accepted an offer to coach the football team of our most deadly rival, Binghamton.

The new official started off in the proper manner, his first team winning the Southern New York State championship and losing the State championship only by a touchdown. However, the next year the Hirst-coached Bingo team did win the State championship. Of course, both years the teams beat Elmira.

While refereeing a basketball game here in Elmira, he was offered the position of coach of the high school team. After a struggle, he was lured from Bingo.

The first team Mr. Hirst coached started off with all guns firing, winning the first three games but hitting a snag at Bingo in the form of a 70-0 setback. It was a terrific drubbing but the boys recovered in time to finish the season with only one more loss.

1922 brought to Elmira its first championship. Mr. Hirst's championship habit clung to him. However we had to share the honors with Oneida, with whom we played a 3-3 tie game.

Six years passed before Mr. Hirst was able to assemble another championship outfit. In 1928 the Hirstmen won seven games and tied one, and were considered by newspapermen as the best team in the state. Again in 1929, the Hirstmen came within one game of being undefeated, this game being disputed.

The greatest team ever coached by Mr. Hirst was the 1935 squad. This was the first undefeated, untied football team that Elmira has had. Not only did they win every league team but also defeated Miami, Florida, in a post season game. What a feather in our coach's cap!

Mr. Hirst's teams have always been famous, win or lose, for their fine sportsmanship. Hat's off to Coach Arthur Hirst, one of the fairest, cleverest and best liked gentlemen that can be found.

First row: McConnell, Myhalyk, O'Neil, Zimdahl, Smith, Murphy, Moylan, Connelly.

WHAT A SEASON!

Champions of the Southern Tier and winners of a game in Florida! This was the result of the Elmira High Schools football campaign for 1935. Eight games were played with the Blue and White winning all of them for a record season.

The most outstanding feature of the '35 football season was the team's post-season trip to Florida and a victory of 13-0 over Miami High on Christmas Day. Walter Zimdahl, line smasher superb, registered the two touchdowns which won this Cocoanut Bowl game.

The victorious team returned home and was feted at dinners and banquets throughout the city. At the Community Banquet given for the team, Coach Hirst and his undefeated Elmira High Schools football squad received Elmira's official tribute. About 350 persons unanimously seconded the praise and appreciation expressed to the boys and Coach Hirst by Judge Thomas F. Fennell and Frank E. Tripp. Clinton Williams who was unable to make the Southern trip, was presented the ball used in the Miami game.

A quad of seventy-five candidates, nine of them veterans, reported at Athletic Field on September third, for the initial grid practice. As the date for the opening clash approached, Coach Hirst had developed a light, but speedy combination which was to rise to magnificent heights and display its true greatness.

Saturday, October fifth, saw the first of the eight victories for the Blue and White. Corning was conquered, when our team registered two touchdowns making the first score 13-0.

The next Saturday also resulted in a victory for E. H. S. Auburn saw a lone touchdown, six points, while the Elmira tally totalled thirty-seven.

Another Saturday saw the team continue its march to glory by vanquishing Eastwood twenty-six to six. Now hopes began to rise for a championship team, but there were still such formidable foes as Bingo, U.-E., and Ithaca.

On Saturday, October 25th, one of the largest groups of Elmira football fans ever to visit Hodskin's Flats, saw the undefeated Elmira warriors run roughshod over Bingo, their age-old rival, with the final score E. H. S. 19, Bingo 0.

The following Saturday the Blue and White journeyed to U.-E. to take on the Orange and Black. This was one of the most exciting games of the entire season. The score was a tie six and six, when in the last three minutes of play, Elmira scored a spectacular touchdown. This brought us six more points and won for us a "heart-breaker" game.

A game Cortland team was defeated Nov. 16, 52-0. The Reserves were put in and aided a lot in running up the score. This made the sixth consecutive victory. One more team to conquer and we had a championship team!

The final Southern Tier victory came the following Saturday, Nov. 28, when the team conquered Ithaca 14-0. Now a championship team for the first time in many years!

At a banquet given for this championship team by the Neighborhood House Association, all the Varsity and several reserves received their coveted block "E" for faithful service. A few days after the banquet, the Blue and White received their invitation to play Miami High at Miami on Christmas Day. This invitation was brought about by the ceaseless effort of Ted Huntley and many others. Bob Hall, veteran guard of the E. H. S. eleven was elected honorary captain of the 1935 team by his team mates while en route to Florida. The Student Council presented the Elmira Free Academy with a picture of the 1935 championship eleven which will hang on the Academy wall as a reminder of all that the 1935 all-star men accomplished.

BASKETBALL

THE 1935-36 BASKETBALL SEASON was the most disasterous experienced by a Blue and White team in several years. A lack of seasoned material and scholastic rulings were mainly responsible for the poor showing. Moreover, Coach Hirst, because of the Miami football trip, was unable to start practice of the team until a week before the season opened.

Union-Endicott came, saw, and conquered the E. H. S. quint, but the closeness of the score led the loyal supporters to believe we had a good team. The score was U.-E. 20, Elmira 19. This was the first time a U.-E. team had ever won on an Elmira court.

Next the Hirstmen played Johnson City and received a more convincing setback to the tune of J. C. 45, Elmira 34.

Ithaca was the third team to defeat the Blue and White. Despite the fact that Ithaca's team was without the aid of the "Great Macali"—who has been graduated, nevertheless they managed to win 23-13.

Our ancient foe, Bingo, revenged her last year's defeat with a 37-21 win. Bingo had a fast, snappy, outfit which was in the process of developing into a championship combination.

To wind up the first round Cortland took her share of the wins of the E. H. S. team. The final score was Cortland 39, Elmira 31.

In a non-league game, Corning Free Academy defeated the Hirstmen for the first time in the history of the two schools' basketball competition. The Corning team rolled up the biggest score, 52 points to our 29.

The second half of the season was more successful, but left very much to be desired. The team won two games, one from Ithaca and one from Cortland. However, Bingo completed her revenge by winning for the second time.

U. E. and Johnson City also defeated Elmira in the second half.

All of the fellows played well, but the team lacked cooperation. Mr. Hirst was forced to change the lineup continually but never seemed to find the combination that would click and stay clicking.

The brightest spot in the season was the work of Carolus Skelly, who was the third highest scorer in the league.

The Junior Varsity showed signs of providing a fine team for the high school next season. They won all but two games.

Jane dear,

Hello there. What cha doin'? Come on over by the radio and talk to me. (Grrrrrrrr - Don't let your mother see this she'll go into estacy)

Don't kill me for saying sweet. but really your letter was awful sweet. I feel the same way as you do about the Four Goons.

Gee but we have more darn fun together. Half of the time we rip each other up and down the back and slam each other like hell but all is forgiven and forgotten by the next day (usually?)

I sure hope our friendships doesn't go on the rocks in the course of the next few years, ever for that matter.

Just think Stowell. After you've chosen from your five or six, as the fortune teller says, and have 15 or 16 brats, someday when they come home from dear C. D. A. they'll ask to look at your Year Books and see this goony, screwy daffffy cracked nute. My gosh, I'll bet you right now they'll all die from laughter. (What funeral expenses I'm causing you)

Anyhow Shelia you're a darn swell gal and I shore love ya. You sure are cute and a darn swell pal. More love than either Sally n Jane (I don't mean Jane) Buzzie could possibly give you.

Oodles of affection,

Connie

P.S. Don't let anybody hid you. They say we're all nuts but I bet we four are a lot sanner than some of these goops that are considered O.K. What say? We agree on that."

CLASS WILL

We, the Class of 1936, as a parting gesture before setting out to conquer the world, would like to express our gratitude to our E. F. A. benefactors by bequeathing the following in this manner:

First—To the faculty:

1. To Freddie Leverich, more money and less red tape.
2. To Tony Schwenkler, a carton of coughdrops.
3. To Mrs. Deuel, an especially quiet "special" class.
4. To Johnny Colgan, more power to rescue the morals of the younger generation.
5. To the new teachers, an iron hand for ruling our successors.

Second—To the Juniors:

1. Our outside lockers.
2. Our superiority complexes.
3. Our lovely dispositions.

Third—To the clubs:

1. To Masquers, more quiet and less "Love".
2. To the Student Council dances, more students.
3. To the Biology Club, a dinasor, with our compliments.
4. To the Hi-Y's, bigger and better lunches.

Fourth—To individuals:

1. To Elizabeth Gregory, Jack Hirst's bottle of peroxide.
2. To Fred Loomis, a horse to pull his limosene.
3. To Virginia Bowlby, Ruth Crooks' popularity, if she needs it.
4. To Peggy Hardy, Jessie Mould's twinkle in her eye.
5. To Lemon Gridley, Sardo McCarthy's way with the women.
6. To Mary B. Reynolds, George Hetrick's Southern accent.
7. To Paul Rohver, Hank Weinstein's dancing feet.
8. To the future Home Ec. girls, a large box of Rinso for their dishpan hands.
9. To the school at large, another incomparable football team.
10. To the new football team, Herbie Epstein's ability to "take it".
11. To everybody, a pleasant memory of the Class of '36.

Beyond the Four Walls

Your bank, like your home, is a vital, living part of the Community.

If your house were surrounded by a desert, would you still care to call it a home — without neighbors, without stores, without civic improvements and modern conveniences?

This is equally true of your bank. It is the customers — the business houses, the farmers, the wholesalers and industries — that make a bank. If you were to erect this building on a remote mountain top, equip it and man it — it would not be a bank, no matter how perfectly organized. The essential element of human contact and service would be lacking.

Only when an institution plays an active, considerate part in the life of the community — understanding its people and their financial needs, and giving them its best in banking services — is it worthy of the name BANK.
